

## **Speaking Life To Dry Places (*in your life*)**

*by Darrell Alexander*

### **Eze. 37:1**

*¶ The hand of the LORD was upon me, and carried me out in the spirit of the LORD, and set me down in the midst of the valley which was full of bones,*

*2 And caused me to pass by them round about: and, behold, there were very many in the open valley; and, lo, they were very dry.*

*3 And he said unto me, Son of man, can these bones live? And I answered, O Lord GOD, thou knowest.*

*4 Again he said unto me, Prophecy upon these bones, and say unto them, O ye dry bones, hear the word of the LORD.*

*5 Thus saith the Lord GOD unto these bones; Behold, I will cause breath to enter into you, and ye shall live:*

*6 And I will lay sinews upon you, and will bring up flesh upon you, and cover you with skin, and put breath in you, and ye shall live; and ye shall know that I am the LORD.*

*7 So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone.*

*8 And when I beheld, lo, the sinews and the flesh came up upon them, and the skin covered them above: but there was no breath in them.*

*9 Then said he unto me, Prophecy unto the wind, prophesy, son of man, and say to the wind, Thus saith the Lord GOD; Come from the four winds, O breath, and breathe upon these slain, that they may live.*

*10 So I prophesied as he commanded me, and the breath came into them, and they lived, and stood up upon their feet, an exceeding great army.*

### **You Know:**

Some people are wondering if it is really God when someone falls or is slain in the spirit, well just wait till folks start being carried away and set down in a different place, and that was an old testament prophet. As the Lord started showing Ezekiel the dry bones, God asked him a question, *can these bones live?* and the prophet said "you know" in other words he said, you know they can, how could he say that? because he knows the one that is asking him this question, has the ability to put life back into these dry bones. In my mind I can just see all these dry bones, some of them crumbling and perhaps not matched up spread about by the wind, and animals digging through them, I mean it is just a mess to look at.

### **What About The Mess In Your Life.**

You might be looking around at your situation and saying, I am a mess or there are many dry, dead places in my life, and if God would just speak to them like he did to those bones everything would be good again, or if I could just get a word from God then I know I could make it. Well there is good news for you my friend, He has, and the really good news, is all you have to do is use what God has done, and put it to work in your life.

### **Using His Tools**

I remember when I worked with one of my in-laws on a farm, and from time to time he would send me to the feed & seed store to pick up some things for him, it might be fertilizer, and some 7 dust and a few other things, and I remember thinking that this is much like our relationship with our Father God, and the walk of faith , you see I would use his truck, his money, his gas and oil and when I got to the store I would use his name to sign for everything I needed, and did not one time wonder if it was his will to do the things he had sent me to do. And then when we planted the seed in the ground that he owned and then when we harvested the food I would eat all that I wanted.

God has given us all the tools we need to get the job done and get all the things we need, now that tool is our tongue look at **James 3:2** *For in many things we offend all. If any man offend not in word, the same is a perfect man, and able also to bridle the whole body. 3 Behold, we put bits in the horses' mouths, that they may obey us; and we turn about their whole body 4 Behold also the ships, which though they be so great, and are driven of fierce winds, yet are they turned about with a very small helm, whithersoever the governor listeth. 5 Even so the tongue is a little member, and boasteth great things. Behold, how great a matter a little fire kindleth! 6 And the tongue is a fire, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on fire the course of nature; and it is set on fire of hell.*

### **Speak Life To Those Dry Bones**

#### **Eze 37:7**

*So I prophesied as I was commanded: and as I prophesied, there was a noise, and behold a shaking, and the bones came together, bone to his bone.*

When you and I start to open our mouth and speak the word of God, power comes out, life and death are in the power of the tongue. What have you been speaking out about your marriage or the relationship between you and your children, or about the way God reveals His word to you? Are you saying "I just don't hear from God like I want to or used to" take those dry places and lay them out before you and start to talk to them, speak over your marriage in faith and call it the way you want it to be, in other words prophesy and speak **Ro 4:17** *(As it is written, I have made thee a father of many nations,) before him whom he believed,*

*even God, who quickeneth the dead, and calleth those things which be not as though they were.* and then trust that God is true and the the bible works for you.

Speak into that ministry, call it fulfilled speak to your church Pastor and call it full and active and vibrant, quit saying things like "our little church" quit looking at the people every Sunday and saying "well, you know Jesus said were just two or three are gathered in His name He was in the mist" you know what that does it paints a small, vision in the mind of each person in the room, do some faith steps, act as though you had a 500 and needed the seats, tell the people to move up and to the center of the pew to make room for the late comers.

Call your children a blessing and see them as a joy to be with, see your husband as the man of God or your wife as the women of God that they should be.

### **Prepare For Success**

Go before the Lord, and renounce any and all words that are not useful in the kingdom of God, then ask the Holy Spirit to be a watchman over your mouth and start to be very aware of the words that you speak, stop saying things like, "that just kills me", or "that cracks me up", or "I just love them to death". Stop saying what you have, because all you will get is what you already have. Because when you speak you are releasing your faith, Faith Filled Words Dominate the Laws of Sin and Death.

### **No More Dry**

So from this point on let the rivers of living water flow out of your spirit and soak all the dry places in and around your life. Be full of the word of God and in every situation let it come out of you, if you give the word first place in your speech it will produce in your life and change every thing and bring bone to bone and put the flesh (covering) on all that you do in Him.
